Vol 39, No 1 (2018): Special Collection - Original Research: Nürnberger Dedication. The Nürnberger Dedication wants to acknowledge the life-long and comprehensive contribution to the South African systematic-theological community of the emeritus professor of the University of KwaZulu-Natal, and research associate of the University of Pretoria, Klaus Nürnberger. After the publication of his two-volume Faith in Christ: Invitation to Systematic Theology (2016), Volume I: Life in the presence of God, and Volume II: Involved in God's project, a number of scholars accepted his "invitation" to engage with him, and this is the result.
